**Duration :** 11 Days / 10 Nights  
**Period :** June to December

## ITINERARY

### DAY 01 : KILIMANJARO (JRO) ARUSHA, TANZANIA OR NAIROBI (JKI), KENYA

Arrival, meet our Sky of Serengeti Safaris representative and Driver/Guide. Pickup from Point of entry (Kilimanjaro International Airport). You will be driven in a 4WD Land Cruiser (MIN BUS) depending on group size, in either case the Safari vehicles are specially designed for safari with open roofs for game viewing and a guaranteed window seat for each passenger. It is possible to pick up and drop at Namanga, the Kenya/Tanzania border, and arrangements can also be made to pick up at the Airport of Nairobi, Kenya or arrange pick up in Nairobi by the Shuttle bus Nairobi – Arusha (Tanzania). Transfer to Arusha Town. You will be briefed by one of our representative on arrival at the hotel. Extra Border transfers shall be charged if arrivals in any other place than Kilimanjaro Airport. Enquire current transfer charges. Visas will also be required depending on nationalities ; you can acquire visas on arrival at the bordercrossing.

**Dinner and Overnight at Impala Hotel. (B&B) [www.impalahotel.com](http://www.impalahotel.com)**

### DAY 02 : ARUSHA / PARC NATIONAL TARANGIRE

Breakfast at the hotel. After your breakfast drive to Tarangire With picnic Lunch boxes. Afternoon have a Game drive around Tarangire River. Tarangire is a beautiful area stretching south-east of Lake Manyara around the Tarangire River. During dry season June through October, Tarangire has one of the highest concentrations of wildlife which include elephants, large herds of zebras, wildebeests, hartebeests, elands, lesser kudus, gazelles, giraffes, waterbucks, impalas, sporadic leopard and a variety of Birds. Tarangire is part of an extended ecosystem where animals roam freely. It is the home of giant baobab trees, rolling savannah and acacia parkland.

**Dinner and Overnight at Tarangire Roika Tented Camp. (L,D,B)**  
[www.tarangireroikatentedlodge.com](http://www.tarangireroikatentedlodge.com)

#### **DAY 03 :TARANGIRE FULL DAY GAME DRIVE / KARATU**

Early morning breakfast at 6:00am. After your breakfast depart for a full day Game drive around the Tarangire National Park with picnic Lunch box for Bird watching and Wildlife. Though number of birds are much less than Lake Manyara variety of raptors and acacia associated birds, and three endemic species to Tanzania : ashy starling, rufous-tailed weaver and black collared lovebird are commonly seen. Ostrich and kori bustard are also seen here.

**Dinner and Overnight at Karatu Bougainvillea Safari Lodge. (L,D,B)**

[www.bougainvillealodge.net](http://www.bougainvillealodge.net)

#### **DAY 04 : KARATU – NGORONGORO FULL DAY CRATER TOUR /NDUTU**

Early morning break fast, drive to Ngorongoro Crater floor for a full day Game drive. Have your picnic lunch at Ngoitoktok swamp. The Crater is uniquely dotted with watering holes and shelters about 30,000 mammals including the White bearded gnu, cheetah and Tanzania's only Black rhino. This is the eighth wonder of the world and the world's only remaining memories of the "garden of Eden". All the BIG FIVE i.e. Rhino, Lion, Leopard, Buffalo and Elephant live in this wonderful caldera, other are zebra, hippo, wildebeest, hyena and more. Owing to its soda lakes, the crater provides a breeding ground for flamingoes, crown cranes and other water birds. Late afternoon drive to Ndutu.

**Dinner and Overnight at Ndutu Safari Lodge. (L,D,B)**

[www.ndutu.com](http://www.ndutu.com)

#### **DAY 05 : NDUTU / SERENGETI CENTRE**

Breakfast at the lodge then drive to Serengeti National Park via Olduvai Gorge, the 'Cradle of Mankind', where the remains of our earliest ancestors, the hominids, were found. Enjoy a short Game drive. Have your picnic lunch around Simba Kopjes and head for your lodge. The vast Serengeti, covering 14,763 sq km of endlessly rolling savannah plains, is Tanzania's first-established, largest and most famous park wherein tens of thousands of hooved animals roam in a constant and unremitting search for the fresh grasslands. Enjoy an interesting visit at the Visitor Centre near to the Seronera Wildlife Lodge. Off road you will find the Kopjes massive boulder islands of granite, providing shelter to a great variety of plants and animals from the elusive lion to the tiny Thomson gazelle.

**Dinner and Overnight at Serengeti Kati Kati Tented Camp. (L,D,B)**

[www.tanganyikawildernesscamps.com](http://www.tanganyikawildernesscamps.com)

#### **DAY 06 : SERENGETI CENTRE / NORTHERN SERENGETI**

Today early morning breakfast for a full day Game viewing with picnic lunch. Make our way towards the Northern part of Serengeti National Park. Far from the beaten tourist track, the Northern Serengeti offers the unique opportunity to explore the fantastic Serengeti undisturbed.

The Serengeti, whose Maasai name 'Siringet' translates as 'the endless plains', offers unparalleled wildlife watching opportunities and an unrivalled natural arena.

**Dinner and Overnight at Lobo Wildlife Lodge. (L,D,B)**

#### **DAY 07 : SERENGETI NORTHERN / FULL DAY GAME VIEWING**

We will leave very early in the morning for a sunrise game drive when animals are very active hunting and grazing in the park with breakfast box and lunch box. Our main goal today will be following the Migration of about 2 millions wildebeests and zebras and a big number of predators hunting them as they migrate. We will spend full day in the northern Serengeti ; the stunning Mara River filled with hippos and crocodiles cuts through this part of the park and hosts of the greatest spectacles of Nature: the dramatic wildebeest's migration.

**Dinner and Overnight at Lobo Wildlife Lodge. (L,D,B).**

#### **DAY 08 :SERENGETI NORTHERN / LAKE NATRON AREA**

Breakfast at the lodge and early depart for Lake Natron area, via Wasso through the Maasai country, a plateau 2000m high, located near to the Kenyan border. Then way to Klein's Gate. Continuing to the Sonjo's plateau and going down the Great Rift Valley escarpment to the Natron Lake. Enjoy outstanding viewpoints on the way. Have picnic lunch enroute and arrive early in the afternoon at Lake Natron Tented Camp. Warm welcome from the Camp's staff and managers and suggestion of activities for the afternoon time and next days (extra charges) to be set up with the Maasai guide who will be with you during these 3 days.

**Dinner and Overnight at Lake Natron Tented Camp. (L,D,B)**

## Our Safari Vehicles

Sky of Serengeti Safaris Ltd uses Toyota Land cruiser 4WD which have been specially built for game viewing and photography. Each vehicle has ample seating, with seat pockets, reference books, binoculars, bottled water, First-aid kit and a cool box for refreshments. Our vehicles have been specially converted for maximum space and comfort including ample space for luggage. Each vehicle has an open roof and large sliding windows to make viewing and photographing easier during safari Game drives. Each vehicle is equipped with a 2-way HF radio controller for convenient communication between our drivers and our base at any time. A window seat is guaranteed to each passenger. Each vehicle has at least 2 spare tires. To ensure reliable performance from our safari vehicles, an inspection is carried out before every safari.
