DAY 02 : ARUSHA / ARUSHA NATIONAL PARK

Breakfast at about 7:30am, walk around the Hotel gardens and depart for Arusha National Park with your picnic boxes for Lunch. You have a full day exploring the Ngurodoto Crater, the famous Momella Crater Lakes as well as clear views of Mount Meru (4500M above sea level), all Big Game including herds of buffaloes, Maasaï giraffes , Black and white colobus monkeys... will be viewed in their natural habitat with the exception of Wildlife. Flamingos are common at Momella Lake, though the bird life on these lakes vary seasonally. From October to April the lakes are populated by the water fowls from Europe, and the rest of the year the residents birds, grebes, pilchards, eagles and geese dominate the lakes. I even saw the Martial Eagle on an evening.

Dinner and overnight at Arusha Coffee Lodge. (L,D,B)

DAY 03-4 : ARUSHA / TARANGIRE NATIONAL PARK

After breakfast, you will depart for Tarangire National Park for a game drive and picnic lunch box. Continue to reach the Tarangire Tree Top.You will have the option to enjoy night game drives and walking safaris, as well as to game drive in open vehicles (not included). Enjoy a bush breakfast in the shade of a majestic Baobab tree, or sundowners in the dry

riverbed. Tarangire National Park is the most southern of the accessible parks of Northern Tanzania. Named after River Tarangire, the park covers an area of 2,600 sq.km. Open grassy savannah, dotted with splendid specimens of baobab trees, but there are also areas of swamps in the south. The park is also spectacular in dry season when many of the migratory wildlife species come back to the permanent waters of the river until the onset of the rains when they migrate again for better pastures. This animal phenomenon takes place from June to September.

DAY 07 : NGORONGORO / SERENGETI NATIONAL PARK

After your breakfast drive to Serengeti National Park with lunch box via Olduvai Gorge for a short visit and lecture, drive to Serengeti with game drive, enroute stop at Simba Kopjes for your picnic. After continue with game viewing on the way to your lodge. We do an after breakfast game viewing drive along the Banagi River Circuit, which loops into the plains south of the Seronera River, and which is good for possible Lion, Thomson gazelle, topi, ostrich and cheetah sightings. The Visitor Centre close to the Seronera Wildlife Lodge, is well worth a visit after the morning's game drive. This centre offers some interesting wildlife displays as well as a gift shop selling information leaflets and maps of the area. The centre also has a shop, as well as a picnic area and information trail up and around a nearby kopje. Relaxed picnic lunch at the centre below the giant acacia trees. We will follow the Kopjes Circuit, which goes anti-clockwise around the Maasaï Kopjes, which usually attract some lions and some cobras. Kopjes are weathered granite outcrops, scattered around the plains, most of which are miniature ecosystems, providing shade and drinking water in pools left in the rock after the rains.
